Hurd Windows & Doors offers these general suggestions for typical installations in the type of construction represented. This is a supplement and **not** a replacement to the full installation instructions provided by Hurd. You must use the full installation instructions in conjunction with this installation suggestion supplement. Full installation instruction can be found on the Hurd website, www.hurd.com

Installation requirements may vary in particular locations and in other types of construction. Proper installation is essential, and Hurd Windows & Doors recommends consultation with an AAMA Certified Installer, or other qualified experienced building professional before installation of any Hurd product. Proper installation of Hurd products is the responsibility of the installer. Hurd is not responsible for proper installation. Hurd is not responsible for the design of, conditions in, or performance of building construction beyond the perimeters of the Hurd units. Hurd is not responsible for proper integration of the Hurd units with the weather-repellant systems of the building.
